### MESSAGE

It gives me immense pleasure to know that Babu Mool Chand Birth Centenary Celebration Committee Karnal, is celebrating the Birth Centenary of Late Babu Mool Chand Jain, Ex. M.P. & Cabinet Minister on 20<sup>th</sup> August, 2015 at his home town Karnal.

It is further good to know that on this auspicious occasion the Committee will also publish a Souvenir highlighting the ideology of Babu Mool Chand Jain, who was a true Gandhian, a renowned freedom fighter and a man of human values. He has spent his precious time and energy during his life in the service of Nation. He was a great visionary statesman and a champion of human rights & values in all walks of life and touched the hearts of everyone who came in contact with him.

I vividly remember that in the year 1978, when he was Cabinet Minister in the Ministry of Late Ch. Devi Lal, he paid a visit to the District Bar Association at Kurukshetra. There, he had asked the lawyers, honest and good people to come forward and join politics, failing which they would be inviting bad politicians to rule over them. His this remark was in the context of increasing number of dishonest and criminal kind of politicians in the State and at the National level. Now let us follow the path shown by him.

I wish this function a grand success.
